# MY Dream Team

Instructions: Choose 4 attributes that you value, such as honesty or confidence. Then choose a person from history to represent each attribute. Research each member of your “Dream Team”, and give a specific example of a story from each person’s life that supports your belief that he or she possessed this attribute.

Example: Nelson Mandela showed forgiveness when he was released from prison, and immediately gave a speech emphasizing his desire for peace and reconciliation with the factions who had imprisoned him.
