

Genius Hour Challenges

For Teacher Use: These are the challenges that the QR codes lead to on the accompanying files. The “serial numbers” under each QR code are there to help you quickly identify the card. The first digit is the level of the challenge, and the middle digit tells you which challenge the QR matches. The other digits mean nothing.

Level 1

- 116**1**722 Work with someone new.
- 116**2**922 Work without a computer for an hour.
- 126**3**722 No speaking.
- 116**4**722 Use your non-dominant hand for the hour.

Level 2

- 216**1**849 Use 2 different resources during this hour.
- 214**2**923 Write a blog post about your project today.
- 216**3**948 Use the Wonderopolis Wonder of the day in your project.
- 226**4**722 Find a song related to your project.

Level 3

- 316**1**342 Interview someone.
- 315**2**341 Create a timeline.
- 314**3**739 Add your own photos.
- 312**4**739 Use 5 new words in your presentation.

Genius Hour Challenges
