

Thanksgiving Thinking Hats Review

Color the "Thinking Hats" based on the code below:

Yellow - Benefits	Black - Judgment	White - Information
Red - Feelings	Green - Creativity	Blue - Thinking

Problem: No one I have invited to Thanksgiving dinner likes turkey!

I should probably try to find out what people do like first. Then I can brainstorm some new ideas for dinner.	
I do not like pizza, so I am not going to offer that as a choice!	
At least I don't have to get up early to make a turkey!	
Maybe I could bake a cake that looks like a turkey!	
Now I'm stuck with a 25 pound turkey in my freezer!	
I am going to research the reason turkey is served at Thanksgiving.
