

UNDERCOVER ROBOTS CAMP

UNDERCOVER ROBOTS - Spy School June 13-17

Dash has just been accepted to Spy School! He must learn how to work undercover, decrypt codes, and evade enemies. Using the Blockly and Wonder Apps, participants will learn to program Dash to complete practice spy missions. They will have the opportunity to showcase their creativity by making undercover costumes and spy gear for Dash. (Recommended for beginners)

UNDERCOVER ROBOTS - Pageant Edition June 20-24

Now that Dash has completed Spy School, he has received his first assignment - to work undercover at a Robot Pageant to find out who is trying to ruin the pageant! Using the Blockly and Wonder apps, participants will program Dash to show his talent in music, art, and public speaking. Dash will also need to solve clues and have costumes designed for the pageant. (Recommended for Spy School grads or students who competed in 2015 Wonder League Robotics Competition)
