

UNDERCOVER ROBOTS CAMP

UNDERCOVER ROBOTS - Spy School June 12-16

Dash has just been accepted to Spy School! He must learn how to work undercover, decrypt codes, and evade enemies. Using the Blockly and Wonder Apps, participants will learn to program Dash to complete practice spy missions. They will have the opportunity to showcase their creativity by making undercover costumes and spy gear for Dash. (Recommended for beginners)

UNDERCOVER ROBOTS - Circus Edition June 19-23

Dash is on an undercover assignment at the circus - to stop a plot against a famous diplomat planning to attend the show! Using the Blockly and Wonder apps, participants will program Dash to perform amazing circus acts. Dash will also need to solve clues and have costumes designed for the pageant. Will Dash be a clown, a daring gymnast, a lion tamer, or another showstopping act? You get to decide!

Monday-Friday
Session Times: afternoons, 1-4 pm

Ages 7-11

Limited to 12 students per session

Student to Robot Guarantee: No more than 3 students will share a robot.

Cost: \$150/session*
